## NEW DURHAM PUBLIC LIBRARY REPORT OF LIBRARY TRUSTEES

The Library Trustees have had many meetings with the Selectmen and the Library Study Group this year. It was unanimously agreed the Town Officers need more office space and the Library must make plans to move. The question is — where?

Various sources have been researched by the Library Study Group for available funds with the possibilities of a grant using matching funds in conjunction with the Library Trust Funds. Tentative plans were drawn up for planning purposes. There are many basics we must comply with to meet Federal and State requirements.

To this end a contract was signed with a Library Consultant, Mr. James Kennedy of St. Anselm College Library. He is to research, advise and help us to prepare requests for funds. The Library Trustees Improvement Fund (monies earned by the Trustees) was used for this purpose with expectations of receiving a Feasibility Grant from the State Library. This has been applied for.

Librarian Barbara Itchkawich resigned effective December 31, 1984. She has been a very enthusiastic, efficient and interested librarian. Much was accomplished in the library while she was with us. We appreciate her good work and are sorry to see her leave.

Our new Librarian, Lesley Buchanan was chosen from a field of seven well qualified applicants. She has excellent administrative and organizational qualifications and the Trustees feel confident she will be of great value to the library and the town.

We were sorry to receive resignations from Sandra Grigg and Irene Cavaretta. Our thanks to them for their cooperation and interest. Janet Berry is replacing Sandra Grigg.

The library was open one evening per week for several months but we did not have sufficient evening business to warrant continuing.

Two Poloroid Sun cameras were donated to the library by the Poloroid Company and are available on loan to the public. Teenagers, age 12 to 18 must have parents signiture to take out a camera. Borrowing time is 1 week, renewal is dependent on the demand for the cameras.

Conferences throughout the year have proved to be educational and of value to the Trustees and Librarian, trusting we will better serve the townspeople.

A spaghetti supper and summer salad festival was enjoyed by many, and with several book sales we have veen able to add to our improvement fund.

The Geological collection on display in the Town Hall is on loan from Mr. Bob Senay of Farmington, N.H. We appreciate his generosity and hope the New Durham folk will come by to see it.

Last but by no means least, we cannot write a report without expressing our gratitude to the Friends of the Library for their wonderful support in furnishing new books each month. We appreciate their cooperation and help in all our endeavors.

Our sincere thanks to the many friends and acquaintances who have made donations and given books to the library this year.

We look forward with eagerness and excitement to the new year and trust it will be a very productive and progressive year for our town.

## REPORT OF THE POLICE, HEALTH AND WELFARE DEPARTMENTS

January 1, 1984 to December 31, 1984

New Durham is experiencing an increase in activity and growth, and the Police Department itself has been faced with expanding and molding to the contour of these changes. The department has aquired a great deal of necessary equipment to bring ourselves up to the standards of today's society and to enable us to combat crime and delinquency in a proficient and professional manner. During 1984 we purchased numerous articles to aid in the processing of crime scenes as well as an additional radar unit to assist in the control of speed laws and the reduction of motor vehicle accidents.

The officers themselves have been partaking in continuous training in the various methods, techniques and ever changing laws that todays society faces.

During 1984 the department lost the services of Robert Snell who has been a part-time officer for many years. Bob has taken leave of absence due to a back injury and we look forward to his returned services at some future date.

The department added to its ranks, part-time officers, Timothy Twitchell and Clifton Jennison. Both have recently completed an intensified part-time police officers training school given by the New Hampshire Police Standards and Training Council. We welcome these officers aboard.

New Durham is very fortunate to have citizens who support its Police Department, which in turn aids in providing a higher quality of Police services to the town. We appreciate your continued support in this regard.

I would also like to extend my thanks to the assistance of the New Durham Fire Department, the Farmington Police Department and Ambulance, the Alton Police Department and Ambulance, the Strafford County Sheriffs Department, the New Hampshire State Police and the surrounding communities who have come to our aid throughout the year.

Respectfully Submitted,

Paul R. Gelinas,  
Chief of Police,  
Health & Welfare Officer

## NEW DURHAM FIRE DEPARTMENT ANNUAL REPORT FOR 1984

The Fire Department responded to 111 incidents this year. The following is a breakdown of those calls:

Structure Fires	10	Auto Accidents	17
Chimney Fires	7	Vehicle Fires	3
Brush Fires	5	Mutual Aid Assistance	19
Medical Emergencies	50		

This is a 10% increase in our runs over 1983.

The new telephone number 859-3333 for calling in a fire has proven to work very well. At no time this year was someone unable to call dispatch for services. The Fire and Police Departments both have additional telephone stickers if you are in need of some because of telephone changes or additions. Please contact someone of the personnel from either department and they will see that you get them.

The Fire Company has purchased plates with the new Town Seal on them for resale to raise money for the Fire Department. These plates are selling for \$9.95. If you are interested in purchasing some of these for yourself or for gifts, please contact any of the fire personnel and they will be glad to help you.

We remind everyone yearly to inspect your property and chimneys to prevent fires. Please feel free to contact any of the Fire Department personnel to borrow our chimney brushes.

Respectfully Yours,

Paul A. Blaisdell, Chief

## REPORT OF FOREST FIRE WARDEN

The year has been a busy one since the Forest Fire suppression has come under the direction of the Fire Department. The men have been busy building up a 4x4 Forest Fire Truck equipped with a tank, pump, reel and necessary tools to fight these types of fires. This has been done without expense to the town from donations and the work of the personnel. We are now in the process of rebuilding our Forest Fire tanker since the tank gave out on this piece of equipment. We will have this completed before the Forest Fire season approaches.

The Town of New Durham had 5 brush or grass fires which burned approximately 6 acres of land. Remember it's everyone's responsibility to protect our town from Forest Fires.

## STRAFFORD COUNTY SOLID WASTE MANAGEMENT DISTRICT

The Strafford County SWMD, composed of five communities; Farmington, Middleton, Milton, New Durham and Strafford was formed to collaborate in meeting the requirements of RSA Chapter 149-M (The New State Solid Waste Law) which became effective May 22, 1982. Under the law, each town continues to be responsible for providing or arranging access to approved solid waste **and** septage disposal facilities for its residents. Each town is also responsible for on-going solid waste management planning within its boundaries, and must consider the environmental, economic, and regional impact of its actions.

The District Committee has concentrated on meeting the planning and reporting requirements set forth in the statute, and has met these requirements on schedule. Current annual tonnage, disposal methods, and types and amounts of solid wastes have been estimated, and future annual tonnage projected for each community. A Ten Year Disposal Plan and a Fifteen Year Process for Filing the Plan have been submitted.

Work with the Strafford Regional Planning Commission has resulted in a survey of present septage disposal methods plus pros and cons of options for the future. The District is also a member of the New Hampshire Resource Recovery Association which emphasizes recycling and waste-to-energy efforts in solid waste disposal.

Membership of the District Committee is as follows: Chairman, John Nolan, Milton; Vice-Chairman, James Meyer, New Durham; Secretary-Treasurer, Willis Berry, Farmington; Thomas Davis, Strafford; and Marshall Nash, Middleton. William Cooper, Administrative Assistant, Farmington has provided invaluable assistance to the Committee.

James W. Meyer

## REPORT OF PARKS AND RECREATION COMMISSION

To the members of the Parks and Recreation Commission and the citizens of New Durham, I respectfully submit my Annual Report.

During the past year the New Durham Recreation Department continued to offer a wide variety of activities for all members of the community. It is estimated that forty-four percent of the towns population was directly involved in Recreation directed of sponsored activities during 1984.

A list of the major activities of 1984 along with the numbers of participants and the names of the volunteers who gave generously of their time and skill to enhance the program is available to the public at the Selectmen's Office. Our gratitude to these dedicated volunteers exceeds our ability to acknowledge them.

However, it should be noted that there has been a significant decline in the overall number of volunteers this past year. This has had an adverse effect on a number of programs for all age groups. The Department has, therefore, directed its energies towards maintaining the current level of programming and the improvement of facilities. This has occurred at the expense of critically needed program expansion.

Some of the facility improvements and recent accomplishments include:

- Construction of a seven station project adventure ropes course behind the elementary school.
- Purchase of a new scoreboard and bleachers to seat 50 spectators for the ballfield.
- Implementation of a new maintenance program for the long-term care of the ballfield.
- Installation of new soccer goals on the school field.
- Purchase of trophy case to display our teams many trophies and awards.
- Re-establishment of the New Durham Boosters Club which provided refreshments at all basketball games and dances, chaperones for field trips, volunteers for tournaments and special activities and donated in excess of \$450.00 towards awards and trophies.
- Introduction of a successful soccer and rock climbing program.
- Continuation of the popular summer recreational/swim program.
- Introduction of the New Durham Invitational Adult Softball Tournament.
- Sponsorship of the local Monopoly Tournament, The State Monopoly Champion from New Durham was sent to compete in the National Finals in Beverly Hills, CA.
- Recognition of the New Durham Physical Fitness Program as "The Best In The State of New Hampshire", by the Presidents Council on Physical Fitness.

This year it is planned that all these activities and events will continue to be available to the residents of New Durham. It is further hoped that with increased volunteers for coaching, umpires and general assistance the scope of recreation opportunities will expand. Installation of sanitary facilities at the ballfield and a regularly scheduled movie program are now in the planning stages for 1985.

New Durham citizens should be proud of their Recreation Program and feel free to offer suggestions, initiate new programs, volunteer assistance, or schedule activities at the gym or ballfield.

Respectfully submitted,  
Steve Sacco  
Director of Recreation
